FRIENDSHIP RULES

How to
be a brrr-illiant
mate, just like
our favourite
Frozen sisters!

2 KEEP SECRETS

The girls might be sisters but they're also really **good friends**. They always get on and know everything about each other. They'd never, ever reveal each other's secrets though.

Disney
FROZEN II
In cinemas
now!

1 SHARE AND CARE

Anna and Elsa always let each other know how much they **care for one another**. It doesn't have to be huge gestures, sometimes it's just the little things that let your BFFs know you're **there for them!**

3 BE HONEST

Anna and Elsa know you have to always **be honest with your friends**. Sometimes you must find a way to say something that doesn't hurt your mate (especially if they're as cute as Olaf), but remember **honesty is the best policy**.

4 HAVE FUN

It's important to **enjoy time with your friends**. Anna and Elsa make sure they hang out together, no matter how busy they are. And they always have **loads of fun**.

FABULOUSLY FROZEN

What does your fave Frozen character say about you? Tick the five statements you agree with.

You like
your own
company

You always
look on the
bright side

You're not
good at showing
your feelings

You
never ever
give up

Friends would
say you were
graceful

You see
the good in
everybody

You come
across as
confident

You act
before
you think

You're good
at keeping
secrets

Clumsy
is your
middle name

5 LIKE DIFFERENT THINGS

Anna and Elsa have very different styles. They'd **never** get the same hairstyle or wear the **same** dress. They know it's OK that however close you are, it's good to be **true to yourself**.

Mostly blue

Anna

Like Anna, you **follow your dreams** and give everything your best shot. You're also the **most optimistic** and **caring person** anyone could ever meet. Your **never-give-up attitude** means you work hard to achieve your dreams and live happily ever after.

Mostly pink

ELSA

Just like Elsa, from the outside you **ooze confidence**, but inside you're not always **so sure of yourself**. You put others ahead of yourself, which is why others **love you**. Just make sure you remember to **be nice to yourself too**. You deserve it!

THAT'S SO EMBARRASSING!

BUS BLUNDER

I was climbing the stairs on a busy bus, when it suddenly jerked and I fell into a huge crowd of people. Even worse, my headphones fell out and everyone could hear my little sister's playlist that I was listening to. Ha ha!

KIRA, 8

DRINK DISASTER

I was drinking a hot chocolate from a reusable cup and needed the loo, so I propped it up carefully in my bag. When I'd finished, I forgot and threw the bag on my back. My drink spilled everywhere!

KASIA, 8

SKIRT SHOCKER

I went up to present my project in assembly. The whole way through, people were laughing and I couldn't work out why. I only realised when I'd finished that my long skirt was tucked up at the back. Eek!

KATIE, 9

FISH FAIL

We tried fishing on a school trip. After a while, I felt something bite the end of my line, so I started to pull it out of the water. It was loads heavier than I expected and I lost my footing, stumbling right into the pond!

HOLLY, 7

SHOP SHAME

I was looking at clothes in a big shop with my friends and stepped back to admire this really cute top. I thought there was a wall behind me, so leaned back into it. But it wasn't a wall, it was a display unit and all the items flew everywhere! Me and my friends ran out of the shop as fast as we could!

MAKE EDIBLE SLIME!

Always ask a grown-up for help before starting!

Slime that not only looks good, but you can eat it too!

WHAT YOU NEED

- ★ 1 cup gummy bears
- ★ 2 tablespoons icing sugar
- ★ 2 tablespoons cornflour
- ★ 1 teaspoon coconut oil

1

Heat the gummy bears in the microwave for 10-15 seconds, stir and reheat as necessary to break down the gummy bear shapes. (Make sure you use a microwave-safe bowl and handle carefully!)

2

Stir and then knead in your icing sugar and cornflour in equal amounts. The gummy bear slime will start feeling like dough/slime.

3

The more you add, the less sticky the slime will be - but also, the more you add the thicker and less stretchy it will be. Try and find that perfect sweet spot.

4

Add a small amount of coconut oil if you want the gummy bear slime to be a bit stretchier.

Do I look sweet?

Just bear with me!
